The screenshot displays a web application interface with a dark sidebar on the left containing navigation icons. The main content area is titled "Students" and features a table with two columns: "Student Name" and "Registered At". The table lists ten entries, with the first five names repeated in the next five rows. A red "Support" button is located in the bottom right corner.

Student Name	Registered At
Abdellah Derfoufi	21/03/2018 10:45

The image shows a screenshot of the vQpass website homepage. At the top, there is a dark navigation bar with the vQpass logo on the left and links for HOME, HOW TO, and ABOUT on the right. Below the navigation bar, the main content area features a large blue section on the left with the text "WELCOME TO VIRTUAL QUEUE PASS" and a description of the service. To the right of this text is an image showing a laptop, a smartphone, and a tablet, all displaying the vQpass interface. A blue callout box from the top of the image points to the blue section of the homepage.

The screenshot shows a web application interface for course management. At the top, there is a dark navigation bar with a search icon, a user profile icon, and a dropdown arrow. Below this, the main content area is titled "Courses" and features a search bar. Three course cards are displayed horizontally. The first two are labeled "test2" and "test". The third card, labeled "G13", is expanded to show a "Description: cours" section. This section includes a green button labeled "View Present Students", a QR code, and three small colored icons (blue, green, red). A vertical sidebar on the left contains icons for home, users, devices, and refresh. A red "Support" button is located in the bottom right corner.

A screenshot of a web application interface for course management. The interface features a dark header bar with navigation icons on the left and a search, magnifying glass, and user profile icon on the right. Below the header, the word "Courses" is displayed in a light blue font next to a small blue square icon. The main content area shows three course cards. The first two cards are labeled "test2" and "test" respectively. The third card is labeled "G13" and is expanded to show a "Description: cours" section with a green "View Present Students" button and a QR code. A vertical sidebar on the left contains icons for home, user profile, and other navigation functions. At the bottom right, there is a red button labeled "Support".
