The screenshot shows a web application interface with a dark sidebar on the left containing navigation icons. The main content area is titled "Students" and displays a table with two columns: "Student Name" and "Registered At". The table contains 15 rows of data, with the first 6 rows being unique and the last 9 rows repeating the first 6. A red "Support" button is located in the bottom right corner.

Student Name	Registered At

The screenshot shows a web application interface for managing courses. The top navigation bar is dark blue with a search icon, a user profile icon, and a dropdown arrow. Below the navigation bar, the main content area is titled "Courses" with a blue square icon. The interface displays three course cards: "test2", "test", and "GI3". The "GI3" card is expanded, showing a "Description: cours" field, a "View Present Students" button, and a QR code. A red button labeled "Support" is located in the bottom right corner.

The website homepage for vQpass. The header is dark blue with the vQpass logo on the left and navigation links (HOME, HOW TO, ABOUT, a search icon, and a user profile icon) on the right. The main content area is split: the left side has a blue background with the text "WELLCOME TO VIRTUAL QUEUE PASS" and a description of the service; the right side features a large image of a laptop, a smartphone, and a tablet, all displaying the vQpass interface. Navigation arrows are present on the left and right sides of the main content area.

WELLCOME TO VIRTUAL QUEUE PASS

vQpass is a cloud based intelligent queue management system that helps manage waiting time of your customers traffic, monitor realtime information of queues and the speed of services & agents.

The mobile app login screen for vQpass. At the top, the status bar shows the time as 09:15 and battery at 78%. The vQpass logo is prominently displayed. Below it are input fields for "E-mail" and "Password", each with an icon. A "FORGOT YOUR PASSWORD?" link is positioned above a large "Login" button. Below the login button is a "DONT HAVE AN ACCOUNT YET? SIGN UP" link. At the bottom, there are two buttons for social login: "Sign in with facebook" and "Sign in with google", each featuring the respective platform's logo.
